

NORTH OGDEN TO STAGE PAGEANT

Anniversary of Founding of Settlement Will Be Observed March 4

(Special to Standard-Examiner)
NORTH OGDEN, Feb. 4.—Celebrating the 50th anniversary of the settlement of North Ogden, a pageant will be given in the ward chapel and amusement hall on March 4. Arrangements are being made for an elaborate entertainment. The pageant will depict important events in the history of the town. A banquet will be one of the features.

Among those called into stake missionary work in the wards of Ogden are Samuel Randall, Fred E. Garner, Hyrum E. Jenkins and Charles Shaw.

Heavy snowstorms of the past week have increased the already promising store of snow in the hills. The outlook for a sufficient supply of irrigation water for the 1921 season is most encouraging.

Little William Verlyle Hutchinson, son of William H. and Edith Montgomery Hutchinson, died Tuesday morning of pneumonia. Funeral services were held Thursday afternoon in the ward chapel under the direction of Frederick Barker. Interment was in North Ogden cemetery. He was born at North Ogden September 24, 1920.

The special fast day for the relief of suffering children was quite liberally responded to, aggregating in this ward approximately \$300.

A royal reception was given Thursday evening to Elder Albert A. Shaw, who recently returned from the eastern states mission.

Charles Henry Storey has assumed the duties of his new appointment as road supervisor of this district.

The temple excursion from this ward in connection with other wards of the Ogden stake was liberally patronized by the people, seventy being in line from here. Many are looking forward with the same enthusiasm for the next one on February 24th.

The Home Dramatic company will present a play in the ward amusement hall Friday evening with a very strong cast.

Our town population has been increased recently by the arrival of a son each in the families of Mr. and Mrs. Samuel Hadley on January 12, in the family of Mr. and Mrs. Lawrence Brown on Jan. 25, and a daughter on Jan. 27 to Mr. and Mrs. George Brockman.

Folks Songs Subject of Sunday Ward Talk

Folk songs of various nations will be the subjects of a number of brief addresses in the Fourteenth ward held under the auspices of the ward chapel Sunday evening. The service will commence at 7 o'clock and will be held under the auspices of the ward Mutuals.

During the service solos will be rendered by several well known vocalists of the city.

HINDU KILLED BY INTERURBAN

Nigu Singh Crushed to Death on Crossing At Clearfield

Nigu Singh, a Hindu laborer, was crushed to death by a Hamberger electric train on the crossing just south of Clearfield shortly before 1 o'clock this morning.

He apparently was unaware of the approach of the train, and the motorist said he did not see the man until the train was almost upon him, according to Sheriff Richard D. Pincock, who was called to the scene.

Niku was about 35 years old, and fairly well dressed.

The train that struck Nigu was the last train for the night and was bound from Salt Lake to Ogden. The man was struck in the back. The lower portion of his body was crushed and mangled.

Sheriff Pincock notified Sheriff Jett of Bountiful of the county as the accident happened in that county. No details of Burnett's investigation have reached Ogden.

Autoist in Accident Hurting Girl, Fined

Marion Smith, charged with driving an automobile past a streetcar discharging passengers, on January 25, was fined \$20 or 20 days when he appeared before the city court this morning. He entered a plea of guilty.

Smith, in explanation, said that he had been driving south on Washington avenue on the morning of January 25.

The streetcar, which he was following, stopped suddenly, he claimed, and Alice Wall alighted from the car. In his effort to miss her, he ran into the girl, knocking her to the pavement.

The accident resulted in a compound fracture of the girl's leg and minor bruises. She was taken to the hospital under Smith's direction and he paid her for the time she was absent from her work, her hospital expense, and the ambulance expense, he stated.

Smith said that the sudden stopping of the streetcar was the cause of the accident.

Porter was originally arrested on a charge of operating a confidence game. This charge was dismissed.

He was then arrested on a charge of having liquor in his possession. Three juries were empaneled, but Porter was found not guilty. In the third case, no jury was called. Porter was found guilty and was sentenced.
